

```
std::vector< neuron >
```

A diagram illustrating inheritance. A light gray box at the top contains the text 'std::vector< neuron >'. A dark gray box at the bottom contains the text 'qp::layer'. A blue arrow points vertically from the top of the 'qp::layer' box to the bottom of the 'std::vector< neuron >' box, indicating that 'qp::layer' inherits from 'std::vector< neuron >'.

```
qp::layer
```
